I am hoping to have an American Legion Baseball team again this year. This is for high school students ages 14-19. We need donations. I am donating \$100 to sponsor a team. We need about \$10,000.00 for coaching fees, field fees, uniforms and equipment. If every member donated \$20.00, we would have more than enough. It is okay to donate more though. If you can't donate \$20, anything will help. If you cannot donate now, please pledge what you feel you can do later. Make checks payable to:

"S.A.L. Squadron 7" and put "BASEBALL DONATION" in the memo.

Thank you for your service
Mr. Anthony R. Cox (Tony)
