The Florida Department Commander Jerry Brandt will be visiting Post 7, tentative schedule if or Thursday, March 24th at 9:45AM.

Nominations are being accepted at the Membership meetings for officers and executive committeemen for the 2022-2023 terms of office. This applies to the American Legion Post 7, The Sons of the American Legion Squadron 7, and Auxiliary Unit 7 at their respective monthly meetings. Only members whose annual dues are current are permitted to attend and vote at membership meetings. Thank you all for your hard work and service.

American Legion Auxiliary Unit 7

Hello everyone. Here's what is happening at Unit 7. We are preparing to send two girls to GIRLS STATE this June. With COVID putting such a damper on all our activities we are excited about this adventure returning to our Unit. Our GOT IT games have really taken off and the number of folks coming to play it have been increasing weekly. Hurrah for Unit 7. Of Course we need to thank our volunteers that help at Bingo every Thursday. We have Lou Lauster and Carol Squires and me, the caller. It has and always will be a great accomplishment to Legion Post 7 to receive this help from our Auxiliary. We must not forget that Jean Vitelli on each Thursday has been selling lunches to the Bingo players and contributing a nice sum of money to our bank account each week. Thank you, Jean. We know this activity helps the Auxiliary but also is helping the Post as we have no lunch being sold from Post 7.

Sure would like to hear from our members out there as to what suggestions you may have for us. We are trying diligently to find supporters of our activities as well as help from some of our members. Is anyone out there interested in helping to start a TRIVIA night at the post. This could be beneficial to both the Legion and the Unit. Please send me suggestions at my email address....

We continue to struggle with out donations but if you would rather send us a monetary gift we will accept it gladly. There are many organizations out there that we try to help. The Title One Schools which needs not only school supplies, but food and clothing for the children in need. All food must be non perishable and clothing must not be used due to the Covid Virus infection of our country. If your time is limited and you are unable to donate an hour or two per month then monetary gifts can be put to good use if you choose to donate cash. All checks need to be made payable to AL Auxiliary Unit 7 or dropped off at the Post for Unit 7. If you prefer to mail your much needed donation the address is listed below.
