From the Commander

Dave Marsh

I am very pleased to report we are doing better than expected for the summer season. Tuesday, July 26th we began Derby Racing post time is 1 pm every Tuesday. August 1st began our new lounge hours, opening at 10 a.m. daily except Sunday.

The recycling program for aluminum soda and beer cans has started and done well. Bring your empty cans to the Post; we will recycle them for you.

We are pleased with our summer entertainment venues and will be making changes to our entertainment in September, the Post will be open with music every Friday night. In September, the Monday night entertainment will cease for now. The good news is we are starting back up our Friday night entertainment, the 2nd, 16th, and 30th will be Shadows of Time, the 9th is SkidRodeo, and the 16th is Bill Castner.

We have a change in the Board with the resignation of our Chaplain due to personal reasons. Al Beres, who

was previously on the E-Committee and will be the new Chaplain. This is very much appreciated Al, thank you.

Membership is always a target for our Board, we are looking to increase our total membership and are off to a good start. If you have any questions regarding membership, please contact the Post Adjutant, Jim Fischer.

Our maintenance committee has started several new programs and the results are fantastic. Kudos to this group of hard workers.

On August 6th we regained the kitchen and have new employees. They have started a new menu and would like to hear from you and what you think. If daytime numbers increase in the lounge the Post will open for lunch.

Please do not forget the date of September 11th, which falls on Sunday this year. The Post will be remembering the fallen on the 10th at our Saturday Veterans Dance.

We appreciate your presence at Post activities; Post Board members wear their Legion shirts to identify themselves to you.

POST 7 IS OPEN TO THE PUBLIC
