From the Post Commander

Dave Marsh

In this holiest month of the year, I want to wish all our legionnaires a very merry Christmas and a prosperous New Year.

Our country has suffered a great deal, all of us have been touched by inflation, and the effects of Hurricane Ian. I am so proud of our team at Post 7 who have worked diligently to make this Post something to be proud of. In the front of our building, we have removed the electricity and replaced it with solar lights. We have a new façade showing our

love of patriotism. We have corrected many smaller items that make us viable.

I would be remiss if I did not mention our kitchen. Since October 22nd we have had no chef. Volunteers stepped up and we have managed to keep the kitchen open on selective days. My heartfelt appreciation to those in the kitchen; Brian Henley, Larry Bell, Gerald Souder, Rob Wahl, LeaAnn Carrol, and Debra Corcoran.

The next big event here is the New Year's Eve Party.

Post 7 will be closed on Christmas Day.

From the Auxiliary President

Felicia Bradley

December is here and this means we are all busy with the excitement of the lovely Holidays; however, please keep the Auxiliary and Post 7 in mind and support the interesting activities available at the Post. Think of it as your home away from home where you can enjoy new and old friends and take a break to relax.

This year many of our auxiliary Officers are new and thus need your support and assistance as they learn their positions and keep Unit 7 going. Thanks to all, both experienced and new members, that have been volunteering and helping with activities throughout the Post. In the new year, I hope to see more new and experienced volunteers join us to help and make our Post and Auxiliary successful so we can give so much back to our

Veterans and Communities.

For God and Country.
