SAL Squadron 7 is raffling off a Henry .30/30 rifle. Raffle tickets are \$5.00 each or 5 for \$20.00. Drawing will be held on July 4, 2020 at the Post Home.

**One winner will receive a \$779.99 Gift Card to Bass Pro shops to purchase the rifle.**

From the Northwoods to the Texas hill country and in every deer camp and lodge in between, the .30-30 rifle remains the perennial choice of whitetail hunters. More than just another deer cartridge, the venerable .30-30 has been the king of deer calibers since the first rifle chambered in this ageless round was produced in 1894. In fact, it's a safe bet that in the past century, no other round has put more antlers on the wall and venison in the freezer than the .30-30. So it only made sense that Henry, America's most storied rifle maker, would produce a rifle chambered for this legendary caliber. This latest addition to our world-famous line of lever-action repeaters was built with the traditional deer hunter in mind. Like its predecessors, it's both lightweight and maneuverable (39" long), – the perfect combination for hunting in dense timber and heavy brush.

Like every Henry rifle, it's 100% American made, with its select American walnut stock and forearm, it is a masterpiece of finely crafted gunsmithing. The Henry H009 has a steel receiver and a round blued steel barrel that is machined with state-of-the-art multiple groove rifling.

If you're a deer hunter who wants to carry a rifle like dad and grandpa did back in the "good ol' days," treat yourself to a Henry .30-30 and relive the golden era of deer hunting while starting a few traditions of your own.
