Invoice, get paid and pay online - and sync with your accounting software

Do you know about all of the new tools recently added to Cash Flow Insight, available in Business Online Banking today?

What is it? Cash Flow Insight is a suite of financial management tools to help you visualize, understand and project your cash flow, so you can make more informed decisions and act on business opportunities.

What is new? Cash Flow Insight is now available with Receivables, Payables and Accounting Software Sync - tools to help you reduce the paperwork that can slow you down by automating and streamlining your receivables and payables processes online.

If you use accounting software*, you can sync your Receivables and Payables data in Cash Flow Insight with your accounting software, to save time and avoid the need for duplicate data entry.

And with the online document management and storage that Cash Flow Insight provides, you can archive all your business documents, all in one place - keeping you organized and in control.

To try it at no cost*, call your Business Banker or a Cash Flow Insight Consultant at 855-762-2361, or learn
