GET MORE efficiency, control and insight

Have you tried Cash Flow Insight available in Online Banking today?

What is it?

A comprehensive cash flow management solution to help you speed up receivables, stay on top of payables, store documents online and sync with your accounting software -- while your receivables and payables activities automatically update an overall view of your cash flow, so you can see where you are today, and project and plan for your future with peace of mind.

What's in it for my business?

- > Get cash in faster
- > Get control of your payables
- > Get rid of paper with digital records
- > Get accounting and banking activity working together and save time by syncing vendor, customer, bill and invoice information between your accounting software and Cash Flow Insight, so you do not have to enter data in multiple places
- > Get visibility into where you stand now, next week, next month
