IMPORTANT INFORMATION ABOUT LINKED ACCOUNTS

When you link accounts with other accounts, any account owner on any linked accounts may have access to limited information about any of the linked accounts. This is true even if they are not a signer on the linked account; also, any signer added later to one of the linked accounts will be able to see the limited information. The limited information that may be available includes the existence of the account and information to determine if the criteria for fee waiver benefits has been met, such as: the balance of the account, the total dollar amount of PNC Merchant Services deposits processed per monthly statement cycle and the total dollar amount of eligible monthly PNC business credit card(s) purchases.

Be Alert for Fraudulent Communications

Emails, phone calls and text messages may seem like official PNC communications, but be careful: the message could be an attempted scam or fraud designed to look like an official PNC communication. Tell-tale features, hinting that the communication may be fake, are misspellings, grammatical errors, a sense of urgency, threats with consequences, and requests for sensitive information. One way to possibly spot a fraudulent email is to hover the cursor over the sender's email address, which should bring up a "mouseover" box containing the sender's actual email address. To report an email or text scam, forward the email or take a picture of the text and send it to abuse@pnc.com. To report a phone scam, please call us at 1-800-762-2035, select 1 for a personal account or 2 for a business account, then select option 3. If you disclosed personal information, immediately change your PNC Online Banking password and call us at 1-800-762-2035.
